Shandong Pilates Fit Tech Co., Ltd.

ABOUT US

Shandong Pilates Fit Tech Co., Ltd. was established in 2015. This company is a specialized foreign trade enterprise focusing on Pilates core beds and studio equipment. Over the years, the company has been deeply engaged in the fitness equipment sector, possessing 20 years of design and research experience and over 10 years of mature export experience. Its products are sold to many countries and regions such as Europe, the United States, and Australia, and have long provided stable, reliable, and sustainable equipment solutions for fitness studios, distributors, and brand manufacturers. At the same time, we have mature OEM and ODM customization capabilities. Based on the brand positioning and market demands of customers, we can offer various personalized services, such as brand logo customization, color customization, size adjustment, structural optimization, material upgrading, and packaging design, to help customers create product lines with differentiated competitive advantages. Whether it is brand owners, distributors, or fitness studios, we can provide professional, efficient, and implementable customized solutions.
